S I R,

I have the honor to state that in the village of Chikkondanahalli in the Chitaldrug Taluk a fairly big santhe assembles every Friday. It is one of the big santhes in the Taluk. Chikkondanahalli is a Union and the Panchayat propose to levy fees on carts &c., coming to the Santhe. The District Board at its meeting held on the 27th March 1916 has supported the proposal of the Union Panchayat and resolved that fees be levied at rates noted in the enclosed copy of the resolution.

The poor financial condition of the Union does not afford any scope for sanitary improvements in the village. The village is unhealthy and is situated far away from the Taluk Head Quarter and therefore the people want a native Vaidyasala to be opened in the village. Their prayer cannot be granted until the resources of the union improve.

The Amildar of the Taluk who was present at the meeting of the District Board stated that by the proposed levy of the impost the Union can secure an annual income of about Rs 200.

In these circumstances I request that the proposal to levy fees at rates mentioned in the Board's resolution may kindly be sanctioned as a tentative measure for a period of one year.

On receipt of sanction proper arrangement will be made for
